DHS Active Shooter Online Training
Active Shooter Online Training This one-hour online course (IS-907 Active Shooter: What You Can Do) provides an introductory lesson on the actions that may be taken when confronted by an active shooter, as well as indicators of workplace violence and how to manage the consequences of an incident. To access this course, please visit the Federal Emergency Management Agency (FEMA) Emergency Management Institute online training website at: http://www.training.fema.gov/is/crslist.aspx and type Active Shooter in the search bar.

Active Shooter Preparedness Workshop Series
These scenario-based workshops feature facilitated discussions to inform participants on the best practices associated with preparing for and responding to an active shooter incident. Through a dynamic exchange of information, these workshops provide participants an understanding of how to plan and aid in the development of an initial draft of an emergency action plan for their organizations. For more information on these workshops, please contact the Active Shooter Preparedness Program at: ASworkshop@hq.dhs.gov .

Active Shooter Online Resources *There are additional resources available online to inform individuals on how to prepare for active shooter incidents. These resources range from booklets and pocket guides, to a 90-minute webinar that explains the importance of developing an emergency action plan and the need to train employees on how to respond to an incident.* http://www.dhs.gov/activeshooter .
